NOTICE OF POTENTIAL TAG ALONG ACTIONS (TULEY ET AL.)

SmithKline Beecham Corporation d/b/a GlaxoSmithKline ("GSK"), pursuant to Rule 7.5(e) of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation, hereby notifies the Clerk of the Panel of potential tag-along actions as set forth in the attached Schedule and states as follows:

1. By Transfer Order dated October 16, 2007, the Panel ordered that two actions subject to a plaintiff's Motion for Transfer be transferred to the District Court for the Eastern District of Pennsylvania and assigned to the Honorable Cynthia M. Rufe for coordinated and consolidated pretrial proceedings.

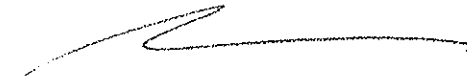

2. There are now additional actions pending in federal court that involve common questions of fact and law. The potential tag along actions are listed on the attached Schedule.

3. Copies of the Complaints are attached hereto for the Panel's Convenience.

4. The potential tag-along actions, like those actions previously transferred, involve allegations that plaintiffs ingested Avandia® and suffered injuries as a result.

5. Transfer of the potential tag-along actions to the Eastern District of Pennsylvania for consolidated and coordinated pre-trial proceedings is therefore appropriate for the same reasons as set forth in the Panel's Transfer Order.

Respectfully submitted,
